Why should Older Girls volunteer to work at camp? PA pin, PA patch, and Community Service Hours! Being a PA provides an opportunity to share your Girl Scout expertise and knowledge. If you complete PA training this Summer, you'll be eligible to purchase the Older Girl PA pin. After providing 25 hours of leadership service you can complete the Older girl Program Aide patch. If you have already earned the pin and patch, you can use Day Camp experience for Leadership hours if you are earning the Silver or Gold Award, gain work experience or it can also count for Community Service hours, depending on which school you attend. And most important of all - Let's face it the little girls look up to you!
