## **Workshop Leader Information**

Thank you again for volunteering to help make **DISCOVEREE 2010** the best event ever! It is through your efforts that approximately 600 adult volunteers from our Council will be trained in a wide variety of skills. We think that **DISCOVEREE** Workshop Leaders are the most special, talented, and generous people!

Please know that all information you give us will stay with this committee unless you give prior permission to hand it out. (Participants often like to ask questions of the workshop leader.)

Please complete the workshop description form completely:

- **WORKSHOP DESCRIPTION:** Please give a brief description of your workshop to be printed in the DISCOVEREE brochure. Since participants will choose their workshops based on your description, please try to explain the course content as clearly as possible. We have found that participants like to learn by doing and want to know how they can use what they have learned with their girls.

Due to space limitations, we ask you to keep your description to no more than 50 words. (Sometimes editing is necessary because of space limitations in the brochure, but we will try to keep your description as close to your original as possible.)

- **PHOTOS:** Since our workshop information is available online, we would love to include a photo of your workshop subject. If possible, please include one with your description.
- **WORKSHOP LOCATION:** Most of the workshops take place in classrooms with chairs with attached desks. We do not have access to computers or other electronic equipment so if you use them for your course, you will need to supply them.
- **REGISTRATION FEE and LUNCH:** As a workshop leader your \$30.00 registration fee will be waived (so you can attend other workshops free) but as an extra incentive, if you teach two or more sessions we will provide you with a free lunch!
- **SUPPLIES REIMBURSEMENT LIMIT:** If your workshop involves *craft* or *food* supplies, we will reimburse you up to \$3/participant, plus up to an additional \$1/participant for handouts.
- **BACKUP INSTRUCTOR:** We know that you have a specialized skill and have committed to doing this workshop. Please recruit an assistant with whom you can share your knowledge and who can teach your workshop in case of an emergency. Canceled workshops are a nightmare for the committee and a big disappointment for participants.
