SUPER TROOP Requirements 2023-2024

The goal of SUPER Troop is to encourage a well-rounded troop program.

This is not the application, just a list of requirements to help you complete the Google Form.

These are the questions on the Google Form. If you've met all requirements fill out the Google form at: <https://www.coyotehillsgs.org/super-troop>

Troops who earn the SUPER Troop Award will have the opportunity to purchase patches and/or rockers. You will be sent a cheddar up link to order the patches and/or rockers.

Please provide one or two sentences that describe how your troop met the following requirements where space is provided. (Have the girls fill out as much of the application as possible.)

Once you confirm your answers have ONE person fill out the Goggle Form.
